Graded: Analyzing documents with Watson Discovery!

LATEST SUBMISSION GRADE

100%

1. In what ways can Watson Discovery improve the work flow of your business?

1 / 1 point

- ☐ Detect rusts and point of failure from bridges, towers and other engineering structures.
- ☐ Automate the production of instruction manuals, legal documents and financial documents.
- ☒ Extract, valuable information, sentiment, concepts and semantic roles from your collection of documents.
- ☐ Debugging your code, by finding the line where the syntactic error occurs.

✓ **Correct**

Correct!

2. What Machine Learning technique does Watson Discovery use to optimize your workflow.

1 / 1 point

- ☐ Image Recognition
- ☒ Natural Language Processing
- ☐ Regression

✓ **Correct**

Correct! Watson Discovery is used to extract information from text which is written in a language. Natural Language Processing is an useful tool to extract information from text documents.

3. When you uploaded your documents on Watson Discovery, where will your documents be hosted.

1 / 1 point

- ☐ Database
- ☒ Collection
- ☐ Filesystem
- ☐ Album

✓ **Correct**

Correct!

4. What is the format of the documents that you can upload to Watson Discovery?

1 / 1 point

✓ ☒ PDF

✓ **Correct**

Because documents of the from documents in the form of PDF, HTML, JSON, WORD, Excel, PowerPoint, PNG, TIFF, JPG can be used to store text data.

✓ ☒ JSON

✓ **Correct**

Because documents of the from documents in the form of PDF, HTML, JSON, WORD, Excel, PowerPoint, PNG, TIFF, JPG can be used to store text data.

✓ ☒ HTML

✓ **Correct**

✓ ☒ Excel

✓ **Correct**

Because documents of the from documents in the form of PDF, HTML, JSON, WORD, Excel, PowerPoint, PNG, TIFF, JPG can be used to store text data.

☒ PNG

✓ **Correct**

Because documents of the from documents in the form of PDF, HTML, JSON, WORD, Excel, PowerPoint, PNG, TIFF, JPG can be used to store text data.

5. What is the limit in size for the document that you can upload?

1 / 1 point

- ☐ 100 Megabytes
- ☐ 10 Megabytes
- ☐ 5 Megabytes
- ☒ 50 Megabytes

✓ **Correct**

Correct!

6. After you uploaded your document, and it has finished processing. You click on the "Schema" tag, what are the two views in which you can view the information extracted from your document?

1 / 1 point

☒ Document view

✓ **Correct**

Correct!

- ☐ File view
- ☐ Window view
- ☒ Collection view

✓ **Correct**

Correct

☐ Desktop view

7. After you uploaded your document, and it has finished processing. You click on the "Search" tag, what are the two search option in which you can extract useful information extracted from your document?

1 / 1 point

☒ Use the Discovery Query Language

✓ **Correct**

Correct!

- ☐ Use unnatural language
- ☐ Use the English Language
- ☒ Use natural language

✓ **Correct**

Correct!
